

FedMall - My Permissions

ROLES & ACCESS	
DDE Through MOES Access	Request
Request only if you are a current JDA Collaboration Customer submitting Demand Data Exchange. Requesting this permission will allow you to submit a DDE file from MOES (the MILSTRIP Order Entry System, available from the Tools menu) via the "DDE Upload" tab. Only two users are permitted for each command.	
WSSP Read-Only User	Request
Requesting this permission will allow you to access WSSP, which is used to manage WS1 transactions. The read-only permission will allow you to search for but not initiate transactions. You must specify one or more RIC(s).	
WSSP User	Request
Requesting this permission will allow you to access WISSP, which is used to initiate WS1 transactions. WS1 transactions are used to update (add, change, or delete) weapons coding on NSNs and are meant to tell DLA the importance of an item to a weapon system for use in DLA management decisions and better support the customer. With WISSP you may search for, upload, edit, and delete transactions, as well as send transactions to DAAS and view the status and response from DAAS. You must specify one or more RIC(s).	
SDA User	Request
Granted to DLA Users only. Requesting this permission will grant access to the Source of Supply Delivery Acknowledgement functionality within the Receive Orders / Requisitions (MRA Search) tool. Users with this permission may view and submit SDAs for orders/requisitions generated by FedMall.	
MILSTRIP/FEDSTRIP Payment Method	Request
Requesting this permission will allow you to pay for items using a MILSTRIP Fund Code, i.e. interfund billing. With this permission, you will have the option to add a new interfund billing / MILSTRIP payment method on the 'My Payment Methods' screen. Such payment methods may be used to purchase items with the blue "MIL" icon. This permission also enables financial transactions via the MILSTRIP Order Entry System (MOES).	
State Purchase Card Payment Method	Request
Requesting this permission will allow you to add a State/Local Government-issued Purchase Card as an additional payment method, if you are employed by a State or Local Government wishing to pay by credit card. With this permission, you will have the option to add a new State/Local Government-issued Purchase Card on the 'My Payment Methods' screen.	

Roles & Access:

1. **Source of Supply Delivery Acknowledgements (SDA):** Used by DLA to submit Material Receipts on behalf of a customer. Granted to DLA Users only
2. **All Requisitions:** This permission can be granted to users whose view of DLA Orders requisition data needs to be expanded to reveal all requisition data. Permission can only be approved by DLA HQ.
3. **DDE through MOES Access:** Demand Data Exchange is restricted to approved Customer Collaboration users. Only two users are permitted for each site.
4. **WSSP Read-Only User:** This permission allows customers read-only access to the Weapon System Support Program (WSSP) which is used to initiate WS1 transactions.
5. **WSSP User:** This permission allows customers access to the Weapon System Support Program (WSSP) which is used to initiate WS1 transactions. WS1 transactions are used to update (add, change, or delete) weapons coding on NSNs and are meant to tell DLA the importance of an item to a weapon system for use in DLA management decisions and better support the customer.
6. **Change DODAAC List:** To change the list of DODAACs for which you may search the DLA Orders Inquiry Services system, you must submit your request to PIEE.

Payment Methods

7. **MILSTRIP Fund Code Payment:** If user is planning to pay for user's FedMall orders using a Military Standard Requisitioning & Issue Procedures (MILSTRIP) fund code, user should apply for this special permission.
8. **Corporate Credit Card:** If user is a contractor and user will be ordering from FedMall under a Contractor Logistics Support Program or Performance Based Logistics Program, and user has been advised by user's company project lead that user will be using a company issued credit card to pay for the items user needs to order, then user should apply for this special permission.
9. **Non-Standard Government Purchase Card Payment:** If user is employed by the US Government and the US Government has issued a Purchase/Credit Card to user specifically for payment for goods and services, and the issuing bank is other than J. P. Morgan Chase, US Bank, or Citibank, apply for this special permission which will allow user to use user's non-standard card.
10. **State Purchase Card Payment:** If user is employed by a US State Government or US Local Government and wish to purchase items on FedMall, apply for this special permission which will allow user to use user's State Government issued Purchase/Credit Card.
