

# FY24 FedMall Webinars

- FedMall is the premier government e-commerce acquisition platform providing an optimal experience for customers which include U.S. military services, federal, state, local agencies authorized contractors and local government agencies.
- The 2-hour webinar is intended for authorized FedMall users responsible for the ordering of supplies or services and for those conducting logistics research.
- The training covers basic site navigation; the “how-to” search for items of supply or services; managing shopping carts; conducting search queries to check the status of orders or shipment tracking and may provide the answers to “Where Is My Stuff”.

- The webinars are hosted via secured Zoom for Government platform. There is no need to preregister.
- To access a webinar on the scheduled date, please use the following link:
